

North American Membrane Society

## **NAMS/ICIM 2010**

**Washington D.C., July 17-22, 2010**

**“Membranes: Enabling a Sustainable Future”**

The North American Membrane Society (NAMS) and the International Conferences on Inorganic Membranes (ICIM) are pleased to recognize an outstanding contribution to NAMS/ICIM 2010

### **Student Poster Competition: First Place:**

**Transport Properties, Modeling and Simulation, Module Design**

**Fuyun Li**

**National University of Singapore**

***Facilitated Transport by Nanocomposite Membranes for Natural Gas Separation***

---

**Nancy Lape and Uwe Beuscher, Poster Session Chairs**

**Alan R. Greenberg and Tony Allegrezza, Meeting Chairs**
